Description:

- Still lifes celebrate the artistry of everyday objects into compelling compositions that capture the essence of stillness and storytelling. Typically still lifes include commonplace objects which are either natural (food, flowers, dead animals, plants, rocks, shells, etc.) and/or people made (drinking glasses, books, vases, fabrics, utensils, etc.). Though unmoving, still lifes are far from lifeless. They can tell a story without uttering a word. In this fast paced world, still lifes ask us to stop and look again. Some artists arrange inanimate objects to entice the viewers to appreciate them for their use or beauty. And let's not forget the "accidental" still life discovered by the artist's discerning eye.
- Artists are invited to use any medium or artistic style. 2D & 3 D works welcome.
